JANUARY 27-28

2022

HTMA-OH CONFERENCE AND EXPO

OPTIMIZING THE BASICS

SESSIONS

45 minute breakout sessions will be focused on the basics, as we invite new and seasoned professionals to learn more about the fundamentals of our industry.

Topics to look forward to are:

- Test Equipment
- PM Scheduling and Frequencies
- AAMI Certification
- Device Life Cycle Management
- Networking and Cybersecurity
- Batteries and UPS Maintenance
- Career and Succession Planning

HTMA-OH is excited to be hosting the 2022 Conference & Expo for members of the Biomedical and Imaging Engineering profession.

LOCATION

The Ohio State University
Fawcett Event Center
2400 Olentangy River Road
Columbus, OH 43210

TOP GOLF MIXER

TOP GOLF OF COLUMBUS
Thursday, January 27, 2022
Make sure you choose the add-on for the Top Golf mixer! Talk with colleagues and vendors in a casual, but possibly competitive environment.
Food, Beverages and Tee Fees are Sponsored by reLink and PartsSource.
